Dear Dr. Budi Warsito,

My name is Pradipta Dirgantara and I am from Department of Communication, Telkom University. My research interest is in the field of interdisciplinary research including environmental communication, human ecology, and community-based climate change movement. I am really interested in contributing in an interdisciplinary journal such as 'Journal Ilmu Lingkungan'. Therefore, I would like to send my research article under your review team with title: New Media in Environmental Communication: A Study on CIFOR (The Center for International Forestry Research).

I am looking forward to hearing from you. Thank you.

Best regards,
