(Cover Letter)

Manuscript title : The Impact of Urbanization Scale on Ecological Conditions and Surface Heat Patterns: A Comparative Study of Jakarta - Semarang City

Corresponding author : Tania June

Phone : 6281297437644

E-mail : taniajune@apps.ipb.ac.id

Address : Division of Agrometeorology, Department of Geophysics and Meteorology, Faculty of Mathematics and Natural Sciences, IPB University, IPB Dramaga Campus, Bogor, 16680, Indonesia.

1. Author Responsibility

We declare that the content of this manuscript or a major portion thereof has not been published, that it is not being submitted for publication elsewhere. It will not be submitted to any media during the review process unless we have officially withdrawn the manuscript from JIL on a letter containing relevant reasons signed by all authors.

We ensure that the manuscript was prepared according to the JIL guidelines.

We agree to follow the entire process of manuscript selection according to JIL procedures, including revising the manuscripts by following the Editor and Reviewers comments in a specified time. We understand and agree that if we do not follow the rules, we will be disqualified for publishing the manuscript in JIL for two consecutive years since the letter was issued.

We declare that all listed names are entitled to become an author, and all have agreed with the final form of submitted manuscripts.

2. Publication Fee

The corresponding author (or one of the co-authors) will be responsible for the publication fee stated in the manuscript charge policy.

3. Author Contributions

We indicate the specific contributions of each author with initials, i.e.

Conception and design of the study : SML, TJ

Acquisition of data : SML

Analysis and/or interpretation of data : SML, TJ

Drafting the manuscript : SML

Critical review/revision : TJ

4. Disclosure of Conflicts of Interest

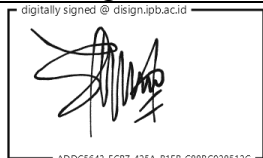

We certify that there is no conflict of interest with any financial, personal, or other relationships with other people or organizations related to the material discussed in the manuscript.

5. Proposed potential reviewer

We recommend the following names as reviewer for our manuscript. We declare that the names stated here are not one of the authors of the manuscript. We agree that the Editor has the right to assign any reviewers to this manuscript, although they are not one in this list.
