

To,

The Editor of JAI (Jurnal Anestesiologi Indonesia)

**Sub:** Submission of Manuscript for publication

Dear Sir,

We intend to publish an article entitled “**Anesthesia Services for Children’s Radiotherapy During Pandemic COVID-19 in 2020: Experience from East Indonesia**” in your esteemed journal as an Original Article.

On behalf of all the contributors I will act and guarantor and will correspond with the journal from this point onward.

Prior publication:

This article has never been submitted to other journals nor presented in a conference.

Support:

Thank you to Dr. Soetomo Academic Hospital for facilitating this research.

Conflicts of interest:

There is no conflict of interest in the making of this article.

Permissions:

We hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to the journal, in the event that such work is published by the journal.

Thank you,

Yours’ sincerely,

Anna Surgean Veterini

## Statement of Author

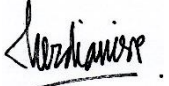

---

**Manuscript Title: Anesthesia Services for Children's Radiotherapy During Pandemic COVID-19 in 2020: Experience from East Indonesia**

We certify that we have participated sufficiently in the intellectual content, conception and design of this work or the analysis and interpretation of the data, as well as the writing of the manuscript, to take public responsibility for it and have agreed to have our name listed as a contributor. We believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. We certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. Financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed in the cover letter. Sources of outside support of the project are named in the cover letter.

All authors have contributed to the article submitted, and no other party is involved in the writing of the article, but is not mentioned as an author. Articles have not been published or sent for publication in other journals and have been approved by co-authors. Upon receipt of the issuer, the rights are entitled to the copyright of the material published. The views and statements in the manuscript are the responsibility of the author.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment that means I/we have not received substantial contributions from non-contributors and no contributor has been omitted.
