

COPYRIGHT TRANSFER AGREEMENT

The transfer of copyright from the contributor(s) is required to enable Jurnal Promosi Kesehatan Indonesia (JPKI) to disseminate your work to the fullest extent. The following copyright transfer must be signed and submitted accordingly.

The copyright to the unpublished and original research article, including copyright to the cover illustration, abstract forming part thereof, should be transferred. By signing this agreement, the contributors (authors) warrant that the entire work is original and unpublished; it is submitted only to Jurnal Promosi Kesehatan Indonesia (JPKI), and all text, data, figures/tables, or other illustrations included in this work are completely original and unpublished, and have not been previously published or submitted elsewhere in any form or media whatsoever. Each author agrees to transfer all copyrights of this work to Jurnal Promosi Kesehatan Indonesia (JPKI).

Manuscript Title:

“Beyond Stigma: How Family Support Drives Antiretroviral Therapy Adherence in Pariaman City”

Contributor(s):

1. Dr. dr. Adila Kasni Astiena, MARS, FISPH, FISCN
2. Dyanti Oktalina, S.Kep., M.Kes
3. Dr. dr. Yuniar Lestari, M.Kes

This manuscript is hereby transferred and assigned to Jurnal Promosi Kesehatan Indonesia (JPKI) for the full term of exclusive copyright and any extensions or renewals thereof throughout the world, including but not limited to the rights to publish, disseminate, transmit, store, translate, distribute, sell, republish, and use the Contribution and material contained therein in print and electronic forms of the journal and in other derivative works, in all languages and any forms of media now known or hereafter developed, and to license or permit others to do so.

(1) Rights Retained by the Contributor(s)

The contributor(s) explicitly reserve the following rights:

- a. All proprietary rights other than copyright, such as patent rights.
- b. The right to make photocopies of their own work for classroom teaching and research purposes, and to use part of the article and abstract in personal compilations, provided that:
 - i. Such copies are not resold or widely disseminated, and recipients are informed that further reproduction is not permitted.
 - ii. Proper acknowledgment is given to the original source of publication and to Jurnal Promosi Kesehatan Indonesia (JPKI) as the copyright holder.

- c. The contributor(s) should not post the Article on open-access websites or distribute it publicly via the internet without permission.
- d. The right to use figures/tables or other illustrations (excluding text) in subsequent publications of their own work, provided that written permission is obtained from the Publisher and proper acknowledgment is made.
- e. Any other use or reproduction in a collective work requires prior permission and may involve a fee.
- f. The right to grant or refuse permission to third parties to republish part of the article or its translations. However, the Publisher will not unreasonably withhold such permission.
- g. Jurnal Promosi Kesehatan Indonesia (JPKI) reserves the right to use all figures from the submitted manuscript for promotional purposes and to use author names and biographical data for journal promotion.

(2) Employment and Institutional Rights

If the article has been prepared by an employee within the scope of employment, the employer retains the right to make copies of the work for internal use or promotional purposes, provided proper acknowledgment is made. If the manuscript is a work made for hire, both employer and employee should sign this agreement.

(3) Government Contract

If the article was prepared under a government contract, the transfer of copyright applies only to the extent permitted by such contract.

Ethical and Legal Statements

The research has been approved by the appropriate institutional ethics committee, where applicable.

All studies involving humans or animals comply with ethical and humane research standards.

The work contains no unlawful, defamatory, or plagiarized material and does not infringe on any copyright, intellectual property, or personal rights.

The manuscript does not contain misleading, fraudulent, or harmful content. The contributor(s) confirm they have full authority to enter into this agreement.

All contributors are fully responsible for the contents of the manuscript and agree to defend and indemnify the Editors and Publisher of Jurnal Promosi Kesehatan Indonesia (JPKI) against any breach of warranties stated herein.

The undersigned hereby transfer the exclusive copyright of the above-mentioned manuscript to Jurnal Promosi Kesehatan Indonesia (JPKI), with the consent of all contributors.

Whenever the Publisher is contacted by third parties for permission to reuse the article, approval from the contributor(s) or employer may also be required.

This agreement must be signed by all contributors or by one author authorized to sign on behalf of all co-authors with their full consent.
