The Nurse Media Journal of Nursing (NMJN) is an international nursing journal which publishes scientific works of nurses, academics and practitioners. NMJN welcomes and invites original and relevant research articles in nursing as well as reviews (systematic and meta-analysis) and case reports.

This journal encompasses original research articles, reviews (systematic and meta-analysis), and case studies, including:

- Adult nursing
- Emergency nursing
- Gerontological nursing
- Community nursing
- Mental health nursing
- Pediatric nursing
- Maternity nursing
- Nursing leadership and management
- Complementary and Alternative Medicine (CAM) in nursing
- Education in nursing

The Nurse Media Journal of Nursing (NMJN) is published three times a year, every April, August and December.

For the year 2023, 3 issues (Volume 13, Number 1 (April), Number 2 (August), and Number 3 (December)) are scheduled for publication.

The journal is published by the Department of Nursing, Faculty of Medicine, Universitas Diponegoro and available at https://medianers.undip.ac.id.
