Indonesia, Mei 7, 2026

Dear Editor-in-Chief of Jurnal Presipitasi: Media Komunikasi dan Pengembangan Teknik Lingkungan

We would like to submit a full-length article entitled Analysis of The Life Cycle Assesment of the Alumina Process in Indonesia Case Study of Tayan, Sanggau Regency by Hanif Kusumasasmita, Haryono Setiyo Huboyo, Sudarno, Mostafa Hamdy Marawan for possible publication in Jurnal Presipitasi: Media Komunikasi dan Pengembangan Teknik Lingkungan.

We confirm that this manuscript is original and has not been published elsewhere, nor is it/will it be submitted for publication elsewhere while it is being considered by Jurnal Presipitasi: Media Komunikasi dan Pengembangan Teknik Lingkungan.

We also confirm that the authors prepared the manuscript in compliance with the Ethical Responsibilities of Authors as described in the Submission guideline.

We already sent this most part of this manuscript to the proofreader services.

We have no conflicts of interest to disclose. All the authors approve the contents and the submission of this manuscript to Jurnal Presipitasi: Media Komunikasi dan Pengembangan Teknik Lingkungan.

Sincerely,
Corresponding Author

Hanif Kusumasasmita
